

THE CAPTAIN'S DINNER

To bring in the New Year Chrissy Smoak
And her friendly dedicated crew
Put on a Cruise Ship party for which
We express our most sincere THANK YOU

Assisted living and skilled nursing
Residents were in attendance
Independent living and family
Joined this "One Oak Hammock" experience

A few former neighbors met again
For a most bounteous nourishing
In the new grand Wisteria hall
Showing Oak Hammock is flourishing

For two hours the Wisteria Hall
Was filled with lively conversation
While the spirited Captain's mates worked
Relentlessly at the food station

Before returning to their staterooms
While leaving the Wisteria place
All the gratified residents posed
For portraits before the Grand Staircase

The "Captains Dinner" was a joyous
Brief intergenerational trip
It included everything but
The typical rolling of the ship
